

“Kin On” is a non-profit, community-based, long-term care organization committed to serving Asian seniors and disabled adults in Greater Seattle. Its mission is to provide a comprehensive range of health, social and educational services that are sensitive to the cultural, linguistic, and dietary needs of those who we serve. Kin On is dedicated to providing excellent care to the residents of the 100-bed skilled nursing facility, *Kin On Health Care Center*, as well as clients of the in-home and support programs offered by the *Community Care Network of Kin On*.

## KIN ON HEALTH CARE CENTER

Kin On Health Care Center is a skilled nursing facility licensed by the State of Washington, and certified by Medicare and Medicaid.

Completed in 1996, Kin On's 52,000 sq. ft., 100-bed facility was specially designed to meet the medical, physical, psychological and spiritual needs of the residents. We hope our residents will see Kin On as a nurturing community which they can call “home”.

With a dedicated team of multi-lingual and multi-cultural staff, Kin On is committed to offering a culturally and linguistically sensitive environment and programs that reflect customs and traditions of our residents.

### SERVICES INCLUDE:

- 24-hour skilled nursing services
- Long-term care services

## COMMUNITY CARE NETWORK OF KIN ON

The Community Care Network of Kin On is an organization created to address the needs of two specific groups of community members: the elderly and disabled who wish to retain their independent lifestyle in their own homes, and the relatives and friends who help take care of them.

Our comprehensive network of programs provide practical, one-on-one assistance while meeting the cultural and linguistic needs of our clients. There is no charge for enrollment into our Network. All services are provided by our bilingual and bicultural staff. Chinese dialects spoken include, but not limited to Cantonese, Mandarin and Toishanese.
